Dated as of November 25, 2009

RECEIVABLES PURCHASE AGREEMENT (the "Agreement") among:

(1) LPAC CORP., a Delaware corporation (together with its successors and permitted assigns, the "Seller"),

(2) LENNOX INDUSTRIES INC., an Iowa corporation (together with its successors, "Lennox"), as master servicer hereunder (in such capacity, together with any successor master servicer appointed pursuant to Section 8.1, the "Master Servicer", Lennox in its capacity as the Master Servicer, together with the Seller, each a "Seller Party" and collectively the "Seller Parties"),

(3) VICTORY RECEIVABLES CORPORATION, a Delaware corporation, as a Purchaser (in such capacity, together with any successors and assigns thereto in such capacity, the "BTMU Purchaser"), and

(4) THE BANK OF TOKYO-MITSUBISHI UFJ, LTD., NEW YORK BRANCH, ("BTMUNY"), as (a) administrative agent for the Investors (in such capacity, together with any successors and assigns thereto in such capacity, the "Administrative Agent"), (b) the purchaser agent for the BTMU Purchaser Group (in such capacity, together with any successors and assigns thereto in such capacity, the "BTMU Purchaser Agent") and (c) a BTMU Liquidity Bank.

Unless otherwise indicated, capitalized terms used in this Agreement are defined in Appendix A.

Background

1. The Originators and Heatcraft own 100% of the issued and outstanding capital stock of the Seller, a special purpose corporation.
 2. The Originators are engaged in the heating, ventilating, air conditioning and refrigeration businesses.
 3. Each of the Originators and the Seller has entered into the Sale Agreement pursuant to which the Originators have transferred, and hereafter will transfer, to the Seller all of their respective right, title and interest in and to the Pool Receivables and certain related property in accordance with the terms and subject to the conditions set forth in the Sale Agreement.
 4. The Seller has requested the Purchasers, and the Purchasers (or to the extent any Purchaser declines, each Liquidity Bank in such Purchaser's Purchaser Group party hereto) have agreed, subject to the terms and conditions contained in this Agreement, to purchase from the Seller from time to time undivided percentage ownership interests, referred to herein as the Asset Interest, in the Pool Receivables and related property.
-

5. The Seller and the Investors also desire that, subject to the terms and conditions of this Agreement, certain of the daily Collections in respect of the Asset Interests be reinvested in Pool Receivables, which reinvestment shall constitute part of the Asset Interests.

6. The parties to this Agreement also desire that, pursuant to the terms hereof, Lennox be appointed, and act, as the initial Master Servicer of the Pool Receivables and related property.

7. BTMUNY has been requested, and is willing, to act as the Administrative Agent and the BTMU Purchaser Agent under this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual agreements herein contained, the parties hereto hereby agree as follows:

Article I.

Purchases and Reinvestments

Section 1.1 Commitments to Purchase; Limits on Purchasers' Obligations.

Upon the terms and subject to the conditions of this Agreement (including, without limitation, Article V), from time to time prior to the Termination Date, the Seller may request that the Purchasers purchase from the Seller undivided percentage ownership interests in Pool Receivables and Related Assets, and the Purchasers may, in their sole discretion, make such purchase, or if any Purchaser shall decline to make such Purchase, one or more Liquidity Banks party to this Agreement in such Purchaser's Purchaser Group shall make such purchase (in any such case, each being a "Purchase"); provided that no Purchase shall be made by any Investor if, after giving effect thereto (and after giving effect to any reductions in the Invested Amount or any Purchaser Group Invested Amount to be made on the date of such Purchase (whether from the distributions of Collections or otherwise)), (i) the Invested Amount would exceed \$100,000,000 (the "Purchase Limit"), (ii) the Purchaser Group Invested Amount of such Investor's Purchaser Group would exceed such Purchaser Group's Purchaser Group Limit or (iii) the Asset Interest would exceed 100% (the "Allocation Limit"); and provided, further that each Purchase made pursuant to this Section 1.1 shall have a purchase price equal to at least \$1,000,000 and shall be an integral multiple of \$100,000. Notwithstanding anything to the contrary herein, the amount available for any Purchase hereunder shall be calculated based on the most recently delivered Information Package and not based on the most recently delivered Interim Information Package; provided, however that no Purchases shall be permitted hereunder if the calculations in any Interim Information Package delivered after the most recently delivered Information Package show that (either before or after giving effect to such Purchase) (i) the Invested Amount would exceed the Purchase Limit, (ii) the Purchaser Group Invested Amount of any Purchaser Group would exceed the Purchaser Group Limit of such Purchaser Group, or (iii) the Asset Interest would exceed the Allocation Limit.

Section 1.2 Purchase Procedures; Assignment of the Investors' Interests.

(a) Purchase Request. Each Purchase from the Seller by the Purchasers or the Liquidity Banks, as applicable, shall be made on notice from the Seller to the Administrative

Agent and each Purchaser Agent (on behalf of the Investors in such Purchaser Agent's Purchaser Group) received by the Administrative Agent and each such Purchaser Agent not later than 12:00 noon (New York City time) on the second Business Day preceding the date of such proposed Purchase. Each such notice of a proposed Purchase shall be substantially in the form of Exhibit 1.2(a) and shall specify, among other items, the desired amount to be paid to the Seller, the Pro Rata Share thereof of each Purchaser Group and the date of such Purchase. Each Purchaser Agent shall promptly upon receipt notify the Purchaser in such Purchaser Agent's Purchaser Group of any such notice. If any Purchaser has determined not to make the proposed purchase, the Purchaser Agent of such Purchaser's Purchaser Group shall promptly send notice of the proposed purchase to each Liquidity Bank in such Purchaser Group by telecopier specifying the date of such proposed purchase, and such Liquidity Bank's Percentage multiplied by the Pro Rata Share with respect to such Purchaser Group of the amount of such Purchase. The Seller shall not request more than one Purchase in any calendar week.

(b) Funding of Purchase. On the date of each Purchase, the Investors in each Purchaser Group shall, upon satisfaction of the applicable conditions set forth in Article V, make available to the Seller (through the Purchaser Agent of such Investors' Purchaser Group) its applicable Pro Rata Share of the amount of the Purchase in same day funds by wire transfer to the Seller's Account. Each Liquidity Bank's obligation shall be several, such that the failure of any Liquidity Bank to make available to the Seller any funds in connection with any purchase shall not relieve any other Liquidity Bank of its obligation, if any, hereunder to make funds available on the date of such purchase, but no Liquidity Bank shall be responsible for the failure of any other Liquidity Bank to make funds available in connection with any purchase.

(c) Assignment of Asset Interests. The Seller hereby sells, assigns and transfers to the Administrative Agent, for the benefit of the applicable Investors in each Purchaser Group making each Purchase, effective on and as of the date of such Purchase and each Reinvestment hereunder, an undivided percentage ownership interest, to the extent of the portion of the Asset Interest then being purchased, in the Pool Receivables and the Related Assets with respect thereto.

Section 1.3 Reinvestments of Certain Collections; Payment of Remaining Collections.

(a) On the close of business on each day during the period from the date of the first Purchase to the Final Payout Date, the Master Servicer will, out of all Collections received on such day:

(i) determine the portion of the Collections attributable to the Asset Interest by multiplying (A) the amount of such Collections times (B) the lesser of (i) the Asset Interest and (ii) 100%;

(ii) out of the portion of such Collections allocated to the Asset Interest pursuant to clause (i) above, identify and hold in trust for the Purchaser Agents on behalf and for the benefit of their respective Purchaser Groups (provided that unless otherwise requested by any Purchaser Agent, on behalf of such Purchaser Agent's Purchaser Group, such Collections shall not be required to be held in a separate account) an amount equal

to the sum of the estimated amount of Earned Discount and CP Costs accrued in respect of each Asset Tranche (based on the rate information provided by each Agent pursuant to Section 2.5), all other amounts due to the Investors or the Agents hereunder and the Investors' Share of the Servicing Fee allocable pursuant to Section 3.1(d) (in each case, accrued through such day) and not so previously identified; and

(iii) apply the Collections allocated to the Asset Interest pursuant to clause (i) above and not required to be identified and held in trust pursuant to clause (ii) above to the purchase from the Seller of undivided percentage ownership interests in Pool Receivables and the Related Assets with respect to such Pool Receivables (each such purchase being a "Reinvestment"); provided that:

(A) if, after giving effect to such Reinvestment, (i) the Asset Interest would exceed the Allocation Limit, (ii) the Purchaser Group Invested Amount of any Purchaser Group would exceed such Purchaser Group's Purchaser Group Limit or (iii) the Invested Amount would exceed the Purchase Limit, then the Master Servicer shall not make such Reinvestment, but shall identify and hold in trust for the benefit of the Investors, a portion of such Collections which, together with other Collections previously identified and then so held, shall equal the amount necessary to reduce (x) the Invested Amount to the Purchase Limit, (y) any Purchaser Group's Purchaser Group Invested Amount to such Purchaser Group's Purchaser Group Limit and (z) the Asset Interest to the Allocation Limit; and

(B) if any of the conditions precedent to Reinvestment in Section 5.2, subject to the proviso set forth in Section 5.2, are not satisfied, then the Master Servicer shall not reinvest any of such remaining Collections, but shall identify them and hold them in trust for the benefit of the Investors; and

(C) if the Seller has commenced an optional reduction in the Invested Amount pursuant to Section 3.2(b), then the Master Servicer shall not reinvest any such remaining Collections until the amount not reinvested shall equal the desired reduction amount;

(iv) out of the portion of Collections not allocated to the Asset Interest pursuant to clause (i) above, pay to the Master Servicer or set aside (at the option of the Master Servicer) the Seller's Share of the Servicing Fee accrued through such day and not previously paid; and

(v) pay to the Seller (A) the remaining portion of Collections not allocated to the Asset Interest pursuant to clause (i) above and (B) the Collections applied to Reinvestment pursuant to clause (iii) above.

(b) Unreinvested Collections. The Master Servicer shall identify and hold in trust for the benefit of the Investors, all Collections which, pursuant to clause (iii) of Section 1.3(a), may not be reinvested in the Pool Receivables and the Related Assets, provided that unless otherwise requested by any Agent, such Collections need not be held in a segregated account. If, prior to

the date when such Collections are required to be paid to any Purchaser Agent pursuant to Section 1.3(c)(iv), the amount of Collections so identified exceeds the amount, if any, necessary to reduce (i) the Invested Amount to the Purchase Limit, (ii) the Purchaser Group Invested Amount of each Purchaser Group to the Purchaser Group Limit of such Purchaser Group and (iii) the Asset Interest to the Allocation Limit, and the conditions precedent to Reinvestment set forth in Section 5.2, subject to the proviso set forth in Section 5.2, are satisfied, then the Master Servicer shall apply such Collections (or, if less, a portion of such Collections equal to the amount of such excess) to the making of a Reinvestment.

(c) Payment of Amounts.

(i) The Master Servicer shall pay all amounts of Collections identified pursuant to Section 1.3(a)(ii) in respect of Earned Discount on an Asset Tranche funded by a Liquidity Funding to the Purchaser Agent of each applicable Purchaser Group, on behalf of each Investor which funded such Liquidity Funding, on the last day of the then current Yield Period for such Asset Tranche, as provided in Section 3.1.

(ii) The Master Servicer shall pay all amounts of Collections identified pursuant to Section 1.3(a)(ii) in respect of CP Costs on an Asset Tranche funded by Commercial Paper Notes, to the Purchaser Agent of each applicable Purchaser Group, on behalf of the applicable Purchaser in such Purchaser Agent's Purchaser Group, on the Settlement Date following the last day of each CP Accrual Period for such Asset Tranche, as provided in Section 3.1.

(iii) The Master Servicer shall pay all amounts of Collections identified pursuant to Section 1.3(a)(ii) and not applied pursuant to clauses (i) or (ii) above to each Purchaser Agent, on behalf of such Purchaser Agent's Purchaser Group, on each Settlement Date for each Collection Period, as provided in Section 3.1.

(iv) The Master Servicer shall pay all amounts of Collections identified pursuant to Section 1.3(b) to each Purchaser Agent (A) on the last day of the then current Yield Period for any Asset Tranche of such Purchaser Agent's Purchaser Group funded by a Liquidity Funding, as provided in Section 3.1(b), in an amount not exceeding such Purchaser Group's Tranche Investment of such Asset Tranche, and (B) on the last day of the then current CP Accrual Period for any Asset Tranche of such Purchaser Agent's Purchaser Group funded by Commercial Paper Notes, as provided in Section 3.1(b), in an amount not exceeding such Purchaser Group's Tranche Investment of such Asset Tranche.

(d) Funds Under Sale Agreement. Upon the written request of the Administrative Agent, at the request of any Purchaser Agent, given at any time when (i) based on the most recent Information Package, or Interim Information Package, as the case may be, either (A) the Asset Interest would exceed the Allocation Limit, (B) any Purchaser Group's Purchaser Group Invested Amount would exceed such Purchaser Group's Purchaser Group Limit or, (C) the Invested Amount would exceed the Purchase Limit, or (ii) a Liquidation Event or Unmatured Liquidation Event shall have occurred and be continuing, the Seller shall identify all funds that under the Sale Agreement would be applied to repay principal of the Initial Seller Notes (as

defined in the Sale Agreement) owing to the Originators. The Seller may make withdrawals of such funds only for the purposes of (x) at any time, purchasing Receivables from an Originator in accordance with the Sale Agreement; (y) on the Settlement Date for any Collection Period, making payments in accordance with the last sentence of Section 3.1(c)(ii), and (z) on the Settlement Date for any Collection Period, if, on the basis of the most recent Information Package or Interim Information Package, as the case may be, and after giving effect to any payment made to the Master Servicer on such date pursuant to the last sentence of Section 3.1(c)(ii), (I) the Invested Amount does not exceed the Purchase Limit, (II) no Purchaser Group Invested Amount exceeds the related Purchaser Group Limit and (III) the Asset Interest does not exceed the Allocation Limit, and provided that no Liquidation Event or Unmatured Liquidation Event shall have occurred and be continuing, repaying principal of the Initial Seller Notes in accordance with this Agreement and the Sale Agreement.

Section 1.4 Asset Interest.

(a) Components of Asset Interest. On any date the Asset Interest will represent the Investors' undivided percentage ownership interest in all then outstanding Pool Receivables and all Related Assets with respect to such Pool Receivables as at such date.

(b) Computation of Asset Interest. On any date, the Asset Interest will be equal to the percentage equivalent of the following fraction:

$$\frac{IA+RR}{NPB}$$

where:

IA = the Invested Amount on the date of such computation;

RR = the Required Reserve on the date of such computation; and

NPB = the Net Pool Balance on the date of such computation;

provided, however, that the Asset Interest during the Liquidation Period shall equal 100%.

(c) Frequency of Computation. The Asset Interest shall be computed (i) as provided in Section 3.1, as of the Cut-Off Date for each Collection Period, and (ii) on the Settlement Date following each Reporting Date, after giving effect to the payments made pursuant to Section 3.1. In addition, at any time, the Administrative Agent, at the request of any Purchaser Agent, may require the Master Servicer to provide an interim report (an "Interim Information Package"), based on the information then available to the Master Servicer, for purposes of computing the Asset Interest, any Purchaser Group Invested Amount or the Invested Amount as of any other date, and the Master Servicer agrees to do so within five (5) (or three (3), if a Liquidation Event, Unmatured Liquidation Event or a Credit Event has occurred and is continuing) Business Days of its receipt of the Administrative Agent's request (such date, the "Interim Reporting Date").

Article II.

Computational Rules

Section 2.1 Selection, Dividing or Combining of Asset Tranches.

Each Purchaser Agent shall, from time to time for purposes of computing Earned Discount on that portion of the Asset Interest funded with Liquidity Fundings made by such Purchaser Agent's Purchaser Group, divide any Asset Interest into Asset Tranches or combine two or more Asset Tranches into one Asset Tranche. The applicable Earned Discount Rate may be different for each Asset Tranche funded by a Liquidity Funding. The Purchaser Group Invested Amount of such Purchaser Agent's Purchaser Group shall be allocated to each Asset Tranche by such Purchaser Agent, on behalf of the Investors in such Purchaser Agent's Purchaser Group, to reflect the funding sources for the Asset Interest, so that:

(a) there will be a single Asset Tranche equal to the excess of the applicable Purchaser Group Invested Amount over the aggregate amount allocated at such time pursuant to clause (b) below, which Asset Tranche shall reflect the portion of the Asset Interest funded by Commercial Paper Notes of the Purchasers in such Purchaser Group; and

(b) there may be one or more Asset Tranches, selected by such Purchaser Agent, on behalf of the Liquidity Banks in such Purchaser Agent's Purchaser Group, reflecting the portion or portions of the Asset Interest funded by outstanding Liquidity Fundings of such Purchaser Group.

Section 2.2 Computation of Invested Amount and Purchaser Group's Tranche Investment.

In making any determination of the Invested Amount, any Purchaser Group Invested Amount and any Purchaser Group's Tranche Investment, the following rules shall apply:

(a) the Invested Amount and each Purchaser Group Invested Amount, as the case may be, shall not be considered reduced by any allocation, setting aside or distribution of any portion of Collections unless such Collections shall have been actually delivered hereunder to the appropriate Purchaser Agent, on behalf of the Investors in such Purchaser Agent's Purchaser Group;

(b) the Invested Amount and each Purchaser Group Invested Amount, as the case may be, shall not be considered reduced by any distribution of any portion of Collections if at any time such distribution is rescinded or must otherwise be returned for any reason; and

(c) if there is any reduction in the Invested Amount or any Purchaser Group Invested Amount, as the case may be, there shall be a corresponding reduction to each applicable Purchaser Group's Tranche Investment with respect to one or more Asset Tranches selected by each Purchaser Agent, on behalf of such Purchaser Agent's Purchaser Group, in its discretion.

Section 2.3 Computation of Concentration Limits and Unpaid Balance.

The Obligor Concentration Limits and the aggregate Unpaid Balance of Pool Receivables of any Obligor and its Affiliated Obligors (if any) shall be calculated as if such Obligor and its Affiliated Obligors were one Obligor.

Section 2.4 Computation of Earned Discount.

In making any determination of Earned Discount, the following rules shall apply:

(a) each Purchaser Agent, on behalf of the Liquidity Banks in such Purchaser Agent's Purchaser Group, shall determine the Earned Discount accruing with respect to each Asset Tranche funded by a Liquidity Funding of such Purchaser Group for each Yield Period, in accordance with the definition of Earned Discount;

(b) no provision of this Agreement shall require the payment or permit the collection of Earned Discount in excess of the maximum permitted by applicable law; and

(c) the Earned Discount for any Asset Tranche shall not be considered paid by any distribution if at any time such distribution is rescinded or must otherwise be returned for any reason.

It is the intent of the Purchasers to fund their portion of the Asset Interest by the issuance of Commercial Paper Notes. If, for any reason, any Purchaser is unable, or determines that it is undesirable, to issue Commercial Paper Notes to fund its portion of the Asset Interest, or is unable to repay such Commercial Paper Notes upon the maturity thereof, either such Purchaser will draw on Liquidity Fundings by a Liquidity Bank in such Purchaser's Purchaser Group or such Liquidity Bank will make a Purchase directly, to the extent available. If any Purchaser makes such a Liquidity Funding, the Earned Discount will be payable by the Seller based on the Bank Rate with respect to such portion of the Asset Interest funded by such Liquidity Funding.

Section 2.5 Estimates of Earned Discount Rate, Fees, etc.

For purposes of determining the amounts required to be identified by Master Servicer pursuant to Section 1.3, each Purchaser Agent, on behalf of the Investors in such Purchaser Agent's Purchaser Group, shall notify the Master Servicer (and, if Lennox is not the Master Servicer, the Seller) and the Administrative Agent from time to time of such Purchaser Group's Tranche Investment of each Asset Tranche, the Earned Discount Rate applicable to each Asset Tranche funded by a Liquidity Funding of such Purchaser Group, the CP Costs applicable to each Asset Tranche funded by Commercial Paper Notes of such Purchaser Group and the rates at which fees and other amounts are accruing hereunder. It is understood and agreed that (a) the CP Costs for any Asset Tranche funded by the issuance of Commercial Paper Notes for any Purchaser Group are determined in arrears and may change from one applicable CP Accrual Period to the next, (b) the Earned Discount Rate for any Asset Tranche funded by a Liquidity Funding of any Purchaser Group may change from one applicable Yield Period to the next, and the Bank Rate used to calculate the Earned Discount Rate may change from time to time during an applicable Yield Period, (c) certain rate information provided by any Purchaser Agent to the Master Servicer and the Administrative Agent shall be based upon such Purchaser Agent's good

faith estimate, (d) the amount of Earned Discount actually accrued with respect to an Asset Tranche funded by a Liquidity Funding of any Purchaser Group during any Yield Period may exceed, or be less than, the amount identified with respect thereto by Master Servicer, and (e) the amount of fees or other amounts payable by the Seller hereunder which have accrued hereunder with respect to any Collection Period may exceed, or be less than, the amount identified with respect thereto by the Master Servicer. Failure to identify any amount so accrued shall not relieve the Master Servicer of its obligation to remit Collections to each Purchaser Agent, on behalf of the Investors in such Purchaser Agent's Purchaser Group, with respect to such accrued amount, as and to the extent provided in Section 3.1.

Article III.

Settlements

Section 3.1 Settlement Procedures.

The parties hereto will take the following actions with respect to each Collection Period:

(a) Information Package. On each Reporting Date the Master Servicer shall deliver to the Administrative Agent and each Purchaser Agent, on behalf of such Purchaser Agent's Purchaser Group, the relevant Information Package.

(b) Earned Discount and CP Costs; Other Amounts Due. Not later than 12:00 noon (New York, New York time) on:

(i) the Business Day before the last day of each Yield Period, each Purchaser Agent shall notify the Master Servicer and the Administrative Agent of the amount of Earned Discount accrued with respect to any Asset Tranche funded by a Liquidity Funding by such Purchaser Agent's Purchaser Group corresponding to such Yield Period;

(ii) the fifth (5th) Business Day before each Reporting Date, each Purchaser Agent shall notify the Master Servicer and the Administrative Agent of the CP Costs accrued during the most recently ended CP Accrual Period with respect to any Asset Tranche funded with Commercial Paper Notes by such Purchaser Agent's Purchaser Group during all or any portion of such CP Accrual Period;

(iii) the last day of each Yield Period, the Master Servicer shall pay to each Purchaser Agent for the benefit of the Liquidity Banks in such Purchaser Agent's Purchaser Group the amount of the Earned Discount accrued on the Asset Tranches of such Purchaser Group funded by Liquidity Fundings;

(iv) each Settlement Date, the Master Servicer shall pay to each Purchaser Agent for the benefit of the Purchaser in such Purchaser Agent's Purchaser Group the amount of the CP Costs accrued for the related CP Accrual Period on the Asset Tranches of such Purchaser Group funded with Commercial Paper Notes;

(v) the Business Day before each Reporting Date, each Purchaser Agent, on behalf of such Purchaser Agent's Purchaser Group, shall notify the Master Servicer and

the Administrative Agent of all Broken Funding Costs, fees and other amounts accrued and payable by the Seller under this Agreement to any Investor during the prior calendar month (other than amounts described in clause (c) below); and

(vi) each Settlement Date, the Master Servicer shall pay to each Purchaser Agent, for the benefit of such Purchaser Agent's Purchaser Group, the amount of any Broken Funding Costs, fees and other amounts (to the extent of Collections attributable to the Asset Interest funded by such Purchaser Group during such Collection Period) for such Collection Period.

Such payments shall be made out of amounts identified pursuant to Section 1.3 for such payment; provided, however, that to the extent Collections attributable to the Asset Interest funded by such Purchaser Group during such Collection Period are not sufficient to make such payment, such payment shall be made out of funds paid by the Master Servicer to the Seller (which amounts the Seller hereby agrees to pay to the Master Servicer), up to the aggregate amount of Collections applied to Reinvestments under Section 1.3(a) or (b) during the related Reporting Period.

(c) Asset Interest Computations.

(i) On each Reporting Date, the Master Servicer shall compute, as of the related Cut-Off Date and based upon the assumptions in the next sentence, (A) the Asset Interest, (B) the amount of the reduction or increase (if any) in the Asset Interest since the most recently preceding Cut-Off Date, (C) the excess (if any) of the Asset Interest over the Allocation Limit, (D) the excess (if any) of the Purchaser Group Invested Amount of any Purchaser Group over such Purchaser Group's Purchaser Group Limit and (E) the excess (if any) of the Invested Amount over the Purchase Limit. Such calculations shall be based upon the assumptions that the (i) information in the most recently delivered Information Package is correct, and (ii) Collections identified pursuant to Section 1.3(b) will be paid to each Purchaser Agent, for the benefit such Purchaser Agent's Purchaser Group, on the Settlement Date for such Collection Period.

(ii) If, according to the computations made pursuant to clause (i) above, (A) the Asset Interest exceeds the Allocation Limit, (B) the Purchaser Group Invested Amount of any Purchaser Group exceeds such Purchaser Group's Purchaser Group Limit or (C) the Invested Amount exceeds the Purchase Limit, then on the related Settlement Date, the Master Servicer shall pay to the applicable Purchaser Agent, for the benefit of each Investor in such Purchaser Agent's Purchaser Group (to the extent of Collections attributable to the Asset Interest funded by such Purchaser Group and not previously paid to such Purchaser Agent) the amount necessary to reduce (i) the Invested Amount to the Purchase Limit, (ii) the Purchaser Group Invested Amount of each Purchaser Group to such Purchaser Group's Purchaser Group Limit and (iii) the Asset Interest to the Allocation Limit. Such payment shall be made out of amounts identified pursuant to Section 1.3 for such purpose and, to the extent such amounts were not so identified, the Seller hereby agrees to pay such amounts to the Master Servicer to the extent of Collections applied to Reinvestment under Section 1.3 during the relevant Collection Period.

(iii) In addition to the payments described in clause (ii) above and clause (iv) below, during the Liquidation Period, the Master Servicer shall pay to each Purchaser Agent, for the benefit of the applicable Investors in such Purchaser Agent's Purchaser Group and for application to the reduction of the Invested Amount, all amounts identified pursuant to Section 1.3 on (A) the last day of the current Yield Period for any Asset Tranche funded by a Liquidity Funding of such Purchaser Group, in an amount not exceeding such Purchaser Group's Tranche Investment of such Asset Tranche, and (B) the last day of the each CP Accrual Period for any Asset Tranche funded by Commercial Paper Notes of such Purchaser Group, in an amount not exceeding such Purchaser Group's Tranche Investment of such Asset Tranche.

(iv) On the Interim Reporting Date for each Interim Reporting Period, the Master Servicer shall compute, as of the related Interim Cut-Off Date and based upon the assumptions in the next sentence, (A) the Asset Interest, (B) the amount of the reduction or increase (if any) in the Asset Interest since the most recently preceding Cut-Off Date or Interim Cut-Off Date, (C) the excess (if any) of the Asset Interest over the Allocation Limit, (D) the excess (if any) of the Purchaser Group Invested Amount of any Purchaser Group over such Purchaser Group's Purchaser Group Limit and (E) the excess (if any) of the Invested Amount over the Purchase Limit. Such calculations shall be based upon the assumptions that (i) the information in the most recently delivered Interim Information Package is correct, and (ii) Collections identified pursuant to Section 1.3(b) will be paid to each Purchaser Agent, for the benefit of such Purchaser Agent's Purchaser Group, on the Settlement Date for such Collection Period.

(v) If, according to the computations made pursuant to clause (iv) above, (A) the Asset Interest exceeds the Allocation Limit, (B) the Purchaser Group Invested Amount of any Purchaser Group exceeds such Purchaser Group's Purchaser Group Limit or (C) the Invested Amount exceeds the Purchase Limit, then on the Interim Settlement Date for such Interim Reporting Period, the Master Servicer shall pay to the applicable Purchaser Agent, for the benefit of the Investors in such Purchaser Agent's Purchaser Group (to the extent of Collections during the related Interim Reporting Period attributable to the Asset Interest funded by the such Purchaser Group and not previously paid to such Purchaser Agent) the amount necessary to reduce (i) the Invested Amount to the Purchase Limit, (ii) the Purchaser Group Invested Amount of any Purchaser Group to such Purchaser Group's Purchaser Group Limit and (iii) the Asset Interest to the Allocation Limit. Such payment shall be made out of amounts identified pursuant to Section 1.3 for such purpose and, to the extent such amounts were not so identified, the Seller hereby agrees to pay such amounts to the Master Servicer to the extent of Collections applied to Reinvestment under Section 1.3 during the relevant Interim Reporting Period.

(d) Order of Application. Upon receipt by each Purchaser Agent of funds distributed pursuant to this Section 3.1, such Purchaser Agent shall apply them to the items specified in the subclauses below, in the order of priority of such subclauses:

(i) to accrued Earned Discount, CP Costs and Broken Funding Costs, plus any previously accrued Earned Discount, CP Costs and Broken Funding Costs not paid, to the extent owing to such Purchaser Group;

(ii) to the Investors' Share of such Purchaser Agent's Purchaser Group of the accrued and unpaid Servicing Fee (if the Master Servicer is not Lennox or its Affiliate);

(iii) to such Purchaser Agent's Purchaser Group's Pro Rata Share of the Program Fee and the Unused Fee accrued during such Collection Period, plus any previously accrued Program Fee and Unused Fee not paid on a prior Settlement Date;

(iv) to the reduction of the Invested Amount on a pro-rata basis, to the extent such reduction is required under Section 3.1(c), (and a corresponding reduction to each applicable Purchaser Group's Purchaser Group Invested Amount);

(v) to other accrued and unpaid amounts owing to any Investor or any Agent hereunder (except Earned Discount on any Asset Tranche funded by a Liquidity Funding of any Purchaser Group which has accrued but is not yet overdue under Section 1.3(c));

(vi) to the Investors' Share of such Purchaser Agent's Purchaser Group of the accrued and unpaid Servicing Fee (if the Master Servicer is Lennox or its Affiliate); and

(vii) to purchase newly originated Receivables prior to the Termination Date;

provided, however, that all amounts received on any Interim Settlement Date or Weekly Settlement Date shall be applied (x) with respect to amounts received on any Weekly Settlement Date, as provided in Section 3.1(c)(ii) and (y) with respect to amounts received on any Interim Settlement Date, as provided in Section 3.1(c)(v).

(e) Non-Distribution of Servicing Fee. Each Purchaser Agent hereby consents (which consent may be revoked at any time), to the retention by the Master Servicer of the amounts (if any) identified pursuant to Section 1.3 in respect of the Servicing Fee, in which case no distribution shall be made in respect of the Servicing Fee pursuant to clause (d)(ii) or (vi) above.

(f) Delayed Payment. If on any day described in this Section 3.1 (or in Section 1.3(c) in respect of accrued Earned Discount on Asset Tranches funded by Liquidity Fundings of any Purchaser Group, or accrued CP Costs on Asset Tranches funded by the issuance of Commercial Paper Notes issued by any Purchaser Group) the Master Servicer shall not make any payment otherwise required because Collections during the relevant CP Accrual Period or Yield Period were less than the aggregate amounts payable, the next available Collections in respect of the Asset Interest shall be applied to such payment, and no Reinvestment shall be permitted hereunder until such amount payable has been paid in full.

Section 3.2 Deemed Collections; Reduction of Invested Amount, Etc.

(a) Deemed Collections. If on any day:

(i) the Unpaid Balance of any Pool Receivable is:

(A) reduced as a result of any defective, rejected or returned merchandise or services, any cash discount, or any other adjustment by any Seller Party or any Affiliate thereof, or as a result of any tariff or other governmental or regulatory action, or

(B) reduced or canceled as a result of a setoff in respect of any claim by the Obligor thereof (whether such claim arises out of the same or a related or an unrelated transaction, including without limitation, any setoff or claim arising as a result of any amount at any time owed by any Originator in connection with any account receivable owed by any such Originator to such Obligor), or

(C) reduced on account of the obligation of any Seller Party or any Affiliate thereof to pay to the related Obligor any rebate or refund, or

(D) less than the amount included with respect to such Pool Receivable in calculating the Net Pool Balance for purposes of any Information Package or Interim Information Package, as the case may be (for any reason other than such Receivable becoming a Defaulted Receivable), or

(ii) any of the representations or warranties of the Seller set forth in Sections 6.1(j), (l) or (p) were not true when made with respect to any Pool Receivable, or any of the representations or warranties of the Seller set forth in Section 6.1(l) are no longer true with respect to any Pool Receivable, or any Pool Receivable is repurchased by an Originator pursuant to the Sale Agreement,

then, on such day, the Seller shall be deemed to have received a Collection of such Pool Receivable

(A) in the case of clause (i) above, in the amount of such reduction or cancellation or the difference between the actual Unpaid Balance and the amount included in calculating such Net Pool Balance, as applicable; and

(B) in the case of clause (ii) above, in the amount of the Unpaid Balance of such Pool Receivable.

Collections deemed received by the Seller under this Section 3.2(a) are herein referred to as "Deemed Collections."

(b) Seller's Optional Reduction of the Invested Amount. The Seller may at any time elect to reduce the Invested Amount and each Purchaser Group Invested Amount as follows:

(i) the Seller shall give the Administrative Agent and each Purchaser Agent, on behalf of such Purchaser Agent's Purchaser Group, at least five (5) Business Days' prior written notice of such reduction (including the amount of such proposed reduction and the proposed date on which such reduction will commence),

(ii) on the proposed date of commencement of such reduction and on each day thereafter, the Master Servicer shall refrain from reinvesting Collections pursuant to Section 1.3 until the amount thereof not so reinvested shall equal the desired amount of reduction, and

(iii) the Master Servicer shall hold such Collections in trust for each Purchaser Agent, on behalf and for the benefit of the Investors in such Purchaser Agent's Purchaser Group, pending payment to such Purchaser Agent, as provided in Section 1.3:

provided that:

(A) the amount of any such reduction shall be in (i) an amount of \$1,000,000, (ii) an integral multiple thereof or (iii) an amount equal to the remaining Invested Amount,

(B) the Seller shall use reasonable efforts to attempt to choose a reduction amount, and the date of commencement thereof, so that such reduction shall commence and conclude in the same Collection Period,

(C) unless the Invested Amount shall be reduced to zero, after giving effect to such reduction, the Invested Amount will be at least \$1,000,000, and

(D) each reduction of the Invested Amount shall be done on a *pro rata* basis and shall result in a corresponding reduction in each Purchaser Group Invested Amount (and a corresponding reduction to each applicable Purchaser Group's Tranche Investment pursuant to Section 2.2(c)).

Section 3.3 Payments and Computations, Etc.

(a) Payments. All amounts to be paid to any Purchaser Agent or any other Person or deposited by the Seller or the Master Servicer hereunder (other than amounts payable under Section 4.2) shall be paid or deposited in accordance with the terms hereof no later than 12:00 noon (New York, New York time) on the day when due in lawful money of the United States of America in same day funds to such Purchaser Agent's Purchaser Agent Account, or to such other account at the bank named therein or at such other bank as such Purchaser Agent may designate by written notice to the Person making such payment.

(b) Late Payments. The Seller or the Master Servicer, as applicable, shall, to the extent permitted by law, pay to the Person to whom payment is due interest on all amounts not paid or deposited when due hereunder at a rate per annum equal to 2% plus the Base Rate, payable on demand, provided, however, that such interest rate shall not at any time exceed the maximum rate permitted by applicable law.

(c) Method of Computation. All computations of interest, CP Costs, Broken Funding Costs, Earned Discount, any fees payable under Section 4.1 and any other fees payable by the Seller to any Investor or any Agent hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) elapsed. Whenever any payment or deposit to be made hereunder shall be due on a day other than a Business Day, such payment or deposit shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of such payment or deposit.

(d) Taxes.

(i) Any and all payments and deposits required to be made hereunder or under any other Transaction Document by any Seller Party shall be made free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding net income taxes that are imposed by the United States and franchise taxes and net income taxes that are imposed on an Affected Party by the state or foreign jurisdiction under the laws of which such Affected Party is organized or any political subdivision thereof (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If any Seller Party shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder to any Affected Party, (i) the Seller shall make an additional payment to such Affected Party, in an amount sufficient so that, after making all required deductions (including deductions applicable to additional sums payable under this Section 3.3(d) and Section 14.5), such Affected Party receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable Seller Party shall make such deductions and (iii) the applicable Seller Party shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law. Within 30 days after the date of any such payment of Taxes, the applicable Seller Party will furnish to such Affected Party the original or a certified copy of a receipt evidencing payment thereof.

(ii) Any Affected Party which is organized outside the United States and which is entitled to an exemption from, or reduction of, withholding tax under the laws of the United States as in effect on the date hereof (or, in the case of any Person which becomes an Affected Party after the date hereof, on the date on which it so becomes an Affected Party with respect to any payments under this Agreement) shall, on or prior to the date hereof (or, in the case of any Person who becomes an Affected Party after the date hereof, on or prior to the date on which it so becomes an Affected Party), deliver to the Administrative Agent and the Seller such certificates, documents or other evidence, as required by the Internal Revenue Code of 1986, as amended or Treasury Regulations issued pursuant thereto, including Internal Revenue Service Form W-8BEN or Form W-8ECI and any other certificate or statement of exemption required by Treasury Regulation Section 1.1441-1(a) or Section 1.1441-6(c) or any subsequent version thereof, properly completed and duly executed by such Affected Party as will permit such payments to be made without withholding or at a reduced rate. Each such Affected Party shall from time to time thereafter, upon written request from the Seller, deliver to the Seller and the Administrative Agent any new certificates, documents or other evidence as described in the preceding sentence as will permit payments under this Agreement to be

made without withholding or at a reduced rate (but only so long as such Affected Party is legally able to do so). The Seller shall not be required to pay any amounts to any Affected Party in respect of Taxes and Other Taxes pursuant to paragraphs (a)(i) above or Section 14.5(b) or (c) if the obligation to pay such amounts is attributable to the failure by such Affected Party to comply with the provisions of this paragraph; provided, however, that should an Affected Party become subject to Taxes because of its failure to deliver a form required hereunder, the Seller shall take such steps as such Affected Party shall reasonably request to assist such Affected Party to recover such Taxes.

Section 3.4 Treatment of Collections and Deemed Collections.

The Seller shall forthwith deliver to the Master Servicer all Deemed Collections, and the Master Servicer shall hold or distribute such Deemed Collections as Earned Discount, CP Costs, accrued Servicing Fee, repayment of the Invested Amount or any Purchaser Group Invested Amount and to other accrued amounts owing hereunder to the same extent as if such Deemed Collections had actually been received on the date of such delivery to the Master Servicer. If Collections are then being paid to any Purchaser Agent, on behalf of such Purchaser Agent's Purchaser Group, or its designee, or to lock boxes or accounts directly or indirectly owned or controlled by the Administrative Agent, on behalf of the Investors, the Master Servicer shall forthwith cause such Deemed Collections to be paid to each Purchaser Agent, on behalf of such Purchaser Agent's Purchaser Group, or its designee or to such lock boxes or accounts, as applicable, or as each applicable Purchaser Agent shall request. So long as the Seller shall hold any Collections (including Deemed Collections) required to be paid to the Master Servicer or any Agent, it shall hold such Collections in trust on behalf and for the benefit of the Agents, on behalf of themselves and the Investors, and shall clearly mark its records to reflect such trust; provided that unless the Administrative Agent shall have requested it in writing to do so, the Seller shall not be required to hold such Collections in a separate deposit account containing only such Collections.

Section 3.5 Sharing of Payments.

If any Investor (for purposes of this Section only, referred to as a "Recipient") shall obtain payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) on account of the Invested Amount (or portion thereof) of, or Earned Discount or CP Costs accrued in respect of, the Asset Interest or portion thereof owned by it in excess of its ratable share of payments made on account of the Invested Amount of, or Earned Discount or CP Costs accrued in respect of, the Asset Interest owned by all the Investors (other than as a result of different methods for calculating Earned Discount or CP Costs), such Recipient shall forthwith purchase from the applicable Investors which received less than their ratable share participations in the portions of the Asset Interest owned by such Persons as shall be necessary to cause such Recipient to share the excess payment ratably with each such other Person; provided, however, that if all or any portion of such excess payment is thereafter recovered from such Recipient, such purchase from each such other Person shall be rescinded and each such other Person shall repay to the Recipient the purchase price paid by such Recipient for such participation to the extent of such recovery, together with an amount equal to such other Person's ratable share (according to the proportion of (a) the amount of such other Person's required payment to (b) the

total amount so recovered from the Recipient) of any interest or other amount paid or payable by the Recipient in respect of the total amount so recovered.

Section 3.6 Repurchase of Asset Interest.

In addition to Seller's rights pursuant to Section 3.2(b), the Seller shall have the right, upon thirty days prior written notice to the Administrative Agent and Purchaser Agents, to repurchase from the Investors all, but not less than all, of the Asset Interest. The purchase price in respect thereof shall be an amount equal to the sum of the Invested Amount, all accrued and unpaid Earned Discount, CP Costs, Broken Funding Costs, fees and other amounts payable to the Investors and the Agents through the date of repurchase, payable in immediately available funds. Such repurchase shall be without representation, warranty or recourse of any kind by, on the part of, or against any Investor or any Agent.

Article IV.

Fees and Yield Protection

Section 4.1 Fees.

The Seller shall pay to the Administrative Agent and each Purchaser Agent for the benefit of the Administrative Agent and such Purchaser Agent's Purchaser Group the fees and other amounts set forth in the Fee Letters, all such fees and other amounts to be paid from time to time in the amounts set forth in each such Fee Letter.

Section 4.2 Yield Protection.

(a) If (i) Regulation D or (ii) any Regulatory Change:

(A) shall subject an Affected Party to any Tax, duty or other charge with respect to the portion of the Asset Interest owned by or funded by it, or any obligations or right to make Purchases or Reinvestments or to provide funding therefor, or shall change the basis of taxation of payments to the Affected Party of any portion of the Invested Amount, CP Costs or Earned Discount owned by, owed to or funded in whole or in part by it or any other amounts due under this Agreement in respect of the portion of the Asset Interest owned by or funded by it or its obligations or rights, if any, to make Purchases or Reinvestments or to provide funding therefor; or

(B) shall impose, modify or deem applicable any reserve (including, without limitation, any reserve imposed by the Federal Reserve Board, but excluding any reserve included in the determination of Earned Discount), special deposit or similar requirement against assets of any Affected Party, deposits or obligations with or for the account of any Affected Party or with or for the account of any affiliate (or entity deemed by the Federal Reserve Board to be an affiliate) of any Affected Party, or credit extended by any Affected Party; or

(C) shall change the amount of capital maintained or required or requested or directed to be maintained by any Affected Party; or

(D) shall impose any other condition affecting any Asset Interest owned or funded in whole or in part by any Affected Party, or its obligations or rights, if any, to make Purchases or Reinvestments or to provide funding therefor; or

(E) shall change the rate for, or the manner in which the Federal Deposit Insurance Corporation (or a successor thereto) assesses, deposit insurance premiums or similar charges;

and the result of any of the foregoing is or would be

(A) to increase the cost to or to impose a cost on (1) an Affected Party funding or making or maintaining any Purchases or Reinvestments, any purchases, reinvestments, or loans or other extensions of credit under any Liquidity Agreement, or any commitment of such Affected Party with respect to any of the foregoing, or (2) any Agent for continuing its or the Seller's relationship with any Investor,

(B) to reduce the amount of any sum received or receivable by an Affected Party under this Agreement or under any Liquidity Agreement, or

(C) in the reasonable determination of such Affected Party, to reduce the rate of return on the capital of an Affected Party as a consequence of its obligations hereunder or arising in connection herewith to a level below that which such Affected Party could otherwise have achieved,

then, within thirty days after demand by such Affected Party (which demand shall be accompanied by a certificate setting forth, in reasonable detail, the basis of such demand and the methodology for calculating, and the calculation of, the amounts claimed by the Affected Party), the Seller shall pay directly to such Affected Party such additional amount or amounts as will compensate such Affected Party for such additional or increased cost or such reduction.

(b) Each Affected Party will promptly notify the Seller, the Administrative Agent and the Purchaser Agent for the Purchaser Group of such Affected Party, if applicable, of any event of which it has knowledge (including any future event that, in the judgment of such Affected Party, is reasonably certain to occur) which will entitle such Affected Party to compensation pursuant to this Section 4.2; provided, however, no failure to give or delay in giving such notification shall adversely affect the rights of any Affected Party to such compensation.

(c) In determining any amount provided for or referred to in this Section 4.2, an Affected Party may use any reasonable averaging and attribution methods (consistent with its ordinary business practices) that it (in its reasonable discretion) shall deem applicable. Any Affected Party when making a claim under this Section 4.2 shall submit to the Seller the certificate (referred to in subsection (a) above) as to such increased cost or reduced return

(including calculation thereof in reasonable detail), which statement shall, in the absence of demonstrable error, be conclusive and binding upon the Seller.

(d) For the avoidance of doubt, any interpretation of FAS 166 or FAS 167 (or any successor Accounting Standards Codification Subtopic) by the Financial Accounting Standards Board and any pronouncement, interpretation or release by the International Accounting Standards Board shall constitute an adoption, change, request or directive subject to this Section 4.2.

Section 4.3 Funding Losses.

In the event that any Purchaser or any Liquidity Bank shall actually incur any loss or expense (including any loss or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Purchaser through the issuance of Commercial Paper Notes to fund any Purchase or such Liquidity Bank to make any Liquidity Funding or maintain any Liquidity Funding) as a result of (a) any settlement with respect to such Investor's Purchaser Group's Tranche Investment of all or any portion of any Asset Tranche being made by such Purchaser Group on any day other than the scheduled last day of an applicable CP Accrual Period or Yield Period with respect thereto (it being understood that the foregoing shall not apply to any portion of the Invested Amount that is accruing Earned Discount calculated by reference to the Base Rate), or (b) any Purchase not being made in accordance with a request therefor under Section 1.2, then, upon written notice from any Purchaser Agent to the Seller and the Master Servicer, the Seller shall pay to the Master Servicer, and the Master Servicer shall pay to such Investor's Purchaser Agent for the account of such Investor, the amount of such loss or expense. Such written notice (which shall include the methodology for calculating, and the calculation of, the amount of such loss or expense, in reasonable detail) shall, in the absence of demonstrable error, be conclusive and binding upon the Seller and the Master Servicer.

Representations and Warranties

Section 6.1 Representations and Warranties of the Seller Parties.

Each Seller Party represents and warrants as to itself, except when specifically provided, in which case, the specified Seller Party represents and warrants as follows:

(a) Organization and Good Standing. Its jurisdiction of organization is correctly set forth in the preamble to this Agreement. It is duly organized and is a "registered organization" as defined in the UCC under the laws of that jurisdiction and no other state or jurisdiction, and such jurisdiction must maintain a public record showing the organization to have been organized.

It is validly existing as a corporation in good standing under the laws of its state of organization, with power and authority to own its properties and to conduct its business as such properties are presently owned and such business is presently conducted. The Seller had at all relevant times, and now has, all necessary power, authority, and legal right to acquire and own the Pool Receivables and Related Assets. The Originators and Heatcraft own directly all the issued and outstanding capital stock of the Seller. The Seller has no subsidiaries.

(b) Due Qualification. It is duly qualified to do business as a foreign corporation in good standing, and has obtained all necessary licenses and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business requires such qualification, licenses or approvals, except where the failure to be so qualified or have such licenses or approvals would not have a Material Adverse Effect.

(c) Power and Authority; Due Authorization. It (i) has all necessary power, authority and legal right (A) to execute and deliver this Agreement and the other Transaction Documents to which it is a party, (B) to carry out the terms of the Transaction Documents to which it is a party, (C) in the case of the Master Servicer, to service the Receivables and the Related Assets in accordance with this Agreement and the Sale Agreement, and (D) in the case of the Seller, sell and assign the Asset Interest on the terms and conditions herein provided, and (ii) has duly authorized by all necessary corporate action the execution, delivery and performance of this Agreement and the other Transaction Documents and, in the case of the Seller, the sales and assignments described in clause (i)(D) above. It has duly executed and delivered each of the Transaction Documents to which it is a party.

(d) Valid Sale; Binding Obligations. (i) This Agreement constitutes a valid sale, transfer, and assignment of the Asset Interest to the applicable Investors, enforceable against creditors of, and purchasers from, the Seller, and (ii) this Agreement and each other Transaction Document signed by such Seller Party constitutes, a legal, valid and binding obligation of such Seller Party, enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, or other similar laws from time to time in effect affecting the enforcement of creditors' rights generally and by general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law.

(e) No Violation. The execution, delivery and performance by it of this Agreement and the other Transaction Documents to which it is a party and the consummation by it of the transactions contemplated hereby and thereby will not (i) conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice or lapse of time or both) a default under, its articles or certificate of incorporation or by-laws, or any material indenture, loan agreement, receivables purchase agreement, mortgage, deed of trust, or other agreement or instrument to which it is a party or by which it or any of its properties is bound (including, but not limited to, those agreements or instruments evidencing Material Indebtedness of Lennox International), (ii) result in the creation or imposition of any Lien upon any its properties pursuant to the terms of any such material indenture, loan agreement, receivables purchase agreement, mortgage, deed of trust, or other agreement or instrument, other than this Agreement and the other Transaction Documents, or (iii) violate any law or any order, rule, or regulation applicable to it of any court or of any federal or state regulatory body, administrative agency, or other governmental instrumentality having jurisdiction over it or any of its properties.

(f) No Proceedings. There are no actions, proceedings or investigations pending, or, to its knowledge, threatened, before any Governmental Authority (i) asserting the invalidity of this Agreement or any other Transaction Document, (ii) seeking to prevent the sale and assignment of the Receivables under the Sale Agreement or of the Asset Interest under this Agreement or the consummation of any of the other transactions contemplated by this Agreement or any other Transaction Document, or (iii) that would have a Material Adverse Effect.

(g) Bulk Sales Act. No transaction contemplated hereby requires compliance with any bulk sales act or similar law.

(h) Government Approvals. No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority or regulatory body is required for the due execution, delivery and performance by it of this Agreement and each other Transaction Document to which it is a party, except, in the case of the Seller, for (i) the filing of the UCC financing statements referred to in Article V, and (ii) the filing of any UCC continuation statements and amendments from time to time required in relation to any UCC financing statements filed in connection with this Agreement, as provided in Section 8.7, all of which, at the time required in Article V or Section 8.7, as applicable, shall have been duly made and shall be in full force and effect.

(l) Quality of Title. Each such sale referred to in clause (vi) of the preceding sentence shall not have been made for or on account of an antecedent debt owed by any Originator to the Seller and no such sale is or may be voidable or subject to avoidance under applicable law.

(m) Accurate Reports. (k) [Reserved].

(l) Mergers, Consolidations and Acquisitions.

(i) The Master Servicer will not, nor will it permit any subservicer, to merge into or consolidate with any other Person, or permit any other Person to merge into or consolidate with it, or purchase, lease or otherwise acquire (in one transaction or a series of transactions) all or substantially all of the assets of any other Person (whether directly by purchase, lease or other acquisition of all or substantially all of the assets of such Person or indirectly by purchase or other acquisition of all or substantially all of the capital stock of such other Person) other than acquisitions in the ordinary course of their business, except that if at the time thereof and immediately after giving effect thereto no Liquidation Event or Unmatured Liquidation Event shall have occurred and be continuing (A) the Master Servicer or such subservicer may merge or consolidate with any Subsidiary (other than Seller) in a transaction in which such Master Servicer or such subservicer is the surviving corporation, and (B) the Master Servicer or such subservicer may purchase, lease or otherwise acquire from any Subsidiary (other than Seller) all or substantially all of its assets and may purchase or otherwise acquire all or substantially all of the capital stock of any Person who immediately thereafter is a Subsidiary.

(ii) Seller will not merge into or consolidate with any other Person, or permit any other Person to merge into or consolidate with it, or purchase, lease or otherwise acquire (in one transaction or a series of transactions) all or substantially all of the assets of any other Person (whether directly by purchase, lease or other acquisition of all or substantially all of the assets of such Person or indirectly by purchase or other acquisition of all or substantially all of the capital stock of such other Person) other than the acquisition of the Receivables and Related Assets pursuant to the Sale Agreement and the sale of an interest in the Pool Receivables and Related Assets hereunder.

(m) [Reserved].

(n) Change in Business. No Seller Party will make or permit to be made any material change in the character of its business, which change would impair the collectibility of any significant portion of the Pool Receivables or otherwise adversely affect the interests or remedies of the Investors or the Agents under this Agreement or any other Transaction Document.

Section 7.4 Separate Corporate Existence of the Seller.

Each Seller Party hereby acknowledges that each Investor and each Agent are entering into the transactions contemplated hereby in reliance upon the Seller's identity as a legal entity separate from the Master Servicer and its other Affiliates. Therefore, each Seller Party shall take all steps specifically required by this Agreement or reasonably required by the Agents to continue the Seller's identity as a separate legal entity and to make it apparent to third Persons that the Seller is an entity with assets and liabilities distinct from those of its Affiliates, and is not a division of the Master Servicer or any other Person. Without limiting the foregoing, each Seller Party will take such actions as shall be required in order that:

(a) The Seller will be a limited purpose corporation whose primary activities are restricted in its Certificate of Incorporation to purchasing or otherwise acquiring from the Originators, owning, holding, granting security interests, or selling interests, in Receivables in the Receivables Pool and Related Assets, entering into agreements for the selling and servicing of the Receivables Pool, and conducting such other activities as it deems necessary or appropriate to carry out such activities;

(b) At least one member of the Seller's Board of Directors shall be an Independent Director. The certificate of incorporation of the Seller shall provide that (i) at least one member of the Seller's Board of Directors shall be an Independent Director, (ii) the Seller's Board of Directors shall not approve, or take any other action to cause the filing of, a voluntary bankruptcy petition with respect to the Seller unless the Independent Director shall approve the taking of such action in writing prior to the taking of such action, (iii) the Independent Director shall be employed by a nationally recognized provider of corporate or structured finance services, (iv) the Independent Director may not be removed by the Seller's stockholders or the Seller's Board of Directors except (w) for cause, (x) in the event the Independent Director ceases to be employed by the service provider which is his or her employer on the date the Independent Director first becomes an Independent Director or (y) with the consent of the Administrative Agent, not to be unreasonably withheld or delayed, and that any such removal pursuant to clause (w) or (x) shall not be effective until at least ten days after written notice to the Independent

Director and the Administrative Agent of such removal and the grounds therefor, and (v) the provisions requiring an Independent Director and the provisions described in clauses (i), (ii), (iii) and (iv) of this paragraph (b) cannot be amended without the prior written consent of the Independent Director;

(c) The Independent Director shall not at any time serve as a trustee in bankruptcy for the Seller or any Affiliate thereof;

(d) Any employee, consultant or agent of the Seller will be compensated from the Seller's funds for services provided to the Seller. The Seller will not engage any agents other than its attorneys, auditors and other professionals, and a servicer and any other agent contemplated by the Transaction Documents for the Receivables Pool (the parties acknowledge that the Master Servicer will be fully compensated for its services by payment of the Servicing Fee), and certain organizational expenses in connection with the formation of the Seller;

(e) The Seller will contract with the Master Servicer to perform for the Seller all operations required on a daily basis to service the Receivables Pool. The Seller will pay the Master Servicer the Servicing Fee pursuant hereto. The Seller will not incur any material indirect or overhead expenses for items shared with the Master Servicer (or any other Affiliate thereof) which are not reflected in the Servicing Fee. To the extent, if any, that the Seller (or any other Affiliate thereof) shares items of expenses not reflected in the Servicing Fee, for legal, auditing and other professional services and directors' fees, such expenses will be allocated to the extent practical on the basis of actual use or the value of services rendered, and otherwise on a basis reasonably related to the actual use or the value of services rendered, it being understood that Lennox shall pay or cause to be paid all expenses relating to the preparation, negotiation, execution and delivery of the Transaction Documents, including, without limitation, legal, rating agency and other fees;

(f) The Seller shall at all times be adequately capitalized in light of its contemplated business and the Seller's operating expenses will not be paid by any other Seller Party or other Affiliate of the Seller;

(g) The Seller will have its own stationery;

(h) The books of account, financial reports and corporate records of the Seller will be maintained separately from those of the Master Servicer and each other Affiliate of the Seller;

(i) Any financial statements of any Seller Party or Affiliate thereof which are consolidated to include the Seller will contain detailed notes clearly stating that (i) all of the Seller's assets are owned by the Seller, and (ii) the Seller is a separate corporate entity with its own separate creditors that will be entitled to be satisfied out of the Seller's assets prior to any value in the Seller becoming available to the Seller's equity holders; and the accounting records and the published financial statements of the Originators will clearly show that, for accounting purposes, the Pool Receivables and Related Assets have been sold by the Originators to the Seller;

(j) The Seller's assets will be maintained in a manner that facilitates their identification and segregation from those of the Master Servicer and the other Affiliates;

(k) Each Affiliate of the Seller will strictly observe corporate formalities in its dealings with the Seller, and, except as permitted pursuant to this Agreement with respect to Collections, funds or other assets of the Seller will not be commingled with those of any of its Affiliates;

(l) No Affiliate of the Seller will maintain joint bank accounts with the Seller or other depository accounts with the Seller to which any such Affiliate (other than in its capacity as the Master Servicer hereunder or under the Sale Agreement) has independent access, provided that prior to the occurrence of a Credit Event, Collections may (following receipt in the Lockbox Accounts) be deposited into general accounts of the Master Servicer, subject to the obligations of the Master Servicer hereunder;

(m) No Affiliate of the Seller shall, directly or indirectly, name the Seller or enter into any agreement to name the Seller as a direct or contingent beneficiary or loss payee on any insurance policy covering the property of any Affiliate of the Seller;

(n) Each Affiliate of the Seller will maintain arm's length relationships with the Seller, and each Affiliate of the Seller that renders or otherwise furnishes services or merchandise to the Seller will be compensated by the Seller at market rates for such services or merchandise;

(o) No Affiliate of the Seller will be, nor will it hold itself out to be, responsible for the debts of the Seller or the decisions or actions in respect of the daily business and affairs of the Seller. The Seller shall not (i) guarantee or become obligated for the debts of any other entity or hold out its credit as being available to satisfy the obligations of others, (ii) acquire obligations of its shareholders, (iii) pledge its assets for the benefit of any other entity or make any loans or advances to any other entity or (iv) make any payment or distribution of assets with respect to any obligation of any Affiliate of Seller. The Master Servicer and the Seller will immediately correct any known misrepresentation with respect to the foregoing and they will not operate or purport to operate as an integrated single economic unit with respect to each other or in their dealing with any other entity;

(p) The Seller will hold regular duly noticed meetings of its board of directors and keep correct and complete books and records of account and minutes of the meetings and other proceedings of its stockholder and board of directors, as applicable, and the resolutions, agreements and other instruments of the Seller will be continuously maintained as official records by the Seller;

(q) The Seller will not participate in the management of any other Seller Party or any Affiliate thereof; and

(r) The Seller, on the one hand, and each Originator, on the other hand, will hold itself out to the public and conduct its business solely in its own corporate name and in such a separate manner so as not to mislead others with whom they are dealing.

Article VIII.

Administration and Collection

Section 8.1 Designation of Master Servicer.

(a) Lennox as Initial Master Servicer. The servicing, administering and collection of the Pool Receivables shall be conducted by the Person designated as Master Servicer hereunder from time to time in accordance with this Section 8.1. Until the Administrative Agent at the direction of the Purchaser Agents, on the Investors' behalf, gives to Lennox a Successor Notice (as defined in Section 8.1(b)), Lennox is hereby designated as, and hereby agrees to perform the duties and obligations of, the Master Servicer pursuant to the terms hereof. Each of the Originators named in the Sale Agreement, has agreed to act as subservicer for the purpose of performing certain duties and obligations with respect to all Receivables purchased by the Seller from such Originator pursuant to the terms of the Sale Agreement. In so acting as subservicer, each of the Originators has agreed to comply with, and be bound by, all of the terms and provisions of this Agreement applicable to such Originator in the performance of its duties as subservicer; provided, however, that each such Originator (i) shall cease to act as subservicer upon the Administrative Agent's delivery of a Successor Notice to Lennox, and (ii) shall not be entitled to receive any Servicing Fee provided for herein (except that the Master Servicer may agree to pay to the subservicers a proportional share of the Servicing Fee which obligation shall be that of the Master Servicer).

(b) Successor Notice; Master Servicer Transfer Events. Upon Lennox's receipt of a notice from the Administrative Agent of the Administrative Agent's designation at the direction of the Purchaser Agents, on the Investors' behalf, of a new Master Servicer (a "Successor Notice"), Lennox agrees that it will terminate its activities as Master Servicer hereunder in a manner that the Agents believe will facilitate the transition of the performance of such activities to the new Master Servicer, and the Administrative Agent (or its designee) shall assume each and all of Lennox's obligations to service and administer such Receivables, on the terms and subject to the conditions herein set forth, and Lennox shall use its best efforts to assist the Administrative Agent (or its designee) in assuming such obligations. Without limiting the foregoing, Lennox agrees, at its expense, to take all actions necessary to provide the new Master Servicer with access to all computer software necessary or useful in collecting, billing or maintaining records with respect to the Receivables.

(c) Subcontracts. The Master Servicer may, with the prior consent of the Agents, subcontract with any other Person for servicing, administering or collecting the Pool Receivables, provided that the Master Servicer shall remain liable for the performance of the duties and obligations of the Master Servicer pursuant to the terms hereof and such subservicing arrangement may be terminated at the Administrative Agent's request, at any time after a Successor Notice has been given.

Section 8.2 Duties of Master Servicer.

(a) Appointment; Duties in General. Each of the Seller, the Investors and the Agents hereby appoints as its agent the Master Servicer, as from time to time designated pursuant to

Section 8.1, to enforce its rights and interests in and under the Pool Receivables and the Related Assets and the related Contracts. The Master Servicer shall take or cause to be taken all such actions as may be necessary or advisable to collect each Pool Receivable from time to time, all in accordance with applicable laws, rules and regulations, with reasonable care and diligence, and in accordance with the Credit and Collection Policy. In performing its duties as Master Servicer, the Master Servicer shall exercise the same care and apply the same policies as it would exercise and apply if it owned such Receivables and shall act in the best interests of the Seller and the Investors.

(b) Allocation of Collections; Segregation. The Master Servicer shall identify for the account of the Seller and Investors their respective allocable shares of the Collections of Pool Receivables in accordance with Section 1.3 but shall not be required (unless otherwise requested by the Administrative Agent or any Purchaser Agent, on behalf of such Purchaser Agent's Purchaser Group) to segregate the funds constituting such portions of such Collections prior to the remittance thereof in accordance with said Section. If instructed by the Administrative Agent or any Purchaser Agent, the Master Servicer shall segregate and deposit into the Collection Account, the Investors' Share of Collections of Pool Receivables, on the second Business Day following receipt by the Master Servicer of such Collections in immediately available funds. The Master Servicer shall, from time to time after the occurrence and during the continuance of an Unmatured Liquidation Event or a Liquidation Event, at the request of any Purchaser Agent, furnish to such Purchaser Agent (promptly after any such request) a calculation of the amounts set aside for the Investors in such Purchaser Agent's Purchaser Group pursuant to Section 3.1.

(c) Modification of Receivables. So long as no Credit Event, no Liquidation Event and no Unmatured Liquidation Event shall have occurred and be continuing, Lennox, while it is Master Servicer, may, in accordance with the applicable Credit and Collection Policy, (i) extend the maturity or adjust the Unpaid Balance of any Defaulted Receivable as the Master Servicer may reasonably determine to be appropriate to maximize Collections thereof, and (ii) adjust the Unpaid Balance of any Receivable to reflect the reductions or cancellations described in the first sentence of Section 3.2(a); provided that such extension or adjustment shall not alter the status of such Receivables as Delinquent Receivables or Defaulted Receivables or limit the rights of any Agent or any Investor with respect thereto.

(d) Documents and Records. Each Seller Party shall deliver to the Master Servicer, and the Master Servicer shall hold in trust for the Seller and the Purchaser Agents, on behalf of the Investors, in accordance with their respective interests, all documents, instruments and records (including, without limitation, computer tapes or disks) that evidence or relate to Pool Receivables.

(e) Certain Duties to the Seller. The Master Servicer shall, as soon as practicable following receipt, turn over to the Seller (i) that portion of Collections of Pool Receivables representing its undivided percentage ownership interest therein, less the Seller's Share of the Servicing Fee, and, in the event that neither Lennox nor any other Seller Party or Affiliate thereof is the Master Servicer, all reasonable and appropriate out-of-pocket costs and expenses of the Master Servicer of servicing, collecting and administering the Pool Receivables to the extent not covered by the Servicing Fee received by it, and (ii) the Collections of any Receivable which is not a Pool Receivable. The Master Servicer, if other than Lennox or any other Seller Party or

Affiliate thereof, shall, as soon as practicable upon demand, deliver to the Seller all documents, instruments and records in its possession that evidence or relate to Receivables of the Seller other than Pool Receivables, and copies of documents, instruments and records in its possession that evidence or relate to Pool Receivables.

(f) Termination. The Master Servicer's authorization under this Agreement shall terminate upon the Final Payout Date.

(g) Power of Attorney. The Seller hereby grants to the Master Servicer an irrevocable power of attorney, with full power of substitution, coupled with an interest, to take in the name of the Seller all steps which are necessary or advisable to endorse, negotiate or otherwise realize on any writing or other right of any kind held or transmitted by the Seller or transmitted or received by the Purchaser (whether or not from the Seller) in connection with any Receivable.

Section 8.3 [Reserved].

Section 8.4 Servicer Defaults.

Each of the following events shall constitute a "Servicer Default":

(a) any failure by the Master Servicer to make any payment, transfer or deposit or to give instructions or notice to any Agent as required by this Agreement including, without limitation, delivery of any Information Package or Interim Information Package or any failure to make any payment or deposit required to be made in order to reduce the Asset Interest to the Allocation Limit and, (i) in the case of failure to deliver an Information Package or Interim Information Package, as the case may be, such failure shall remain unremedied for two (2) Business Days after the earliest to occur of (A) written notice thereof shall have been given by any Agent to the Master Servicer or (B) the Master Servicer shall have otherwise become aware of such failure and (ii) except with respect to any payment or deposit required to be made in order to reduce the Asset Interest to the Allocation Limit which shall be made when due, in the case of failure to make any payment or deposit to be made by the Master Servicer such failure shall remain unremedied for three (3) Business Days after the due date thereof;

(b) any failure on the part of the Master Servicer duly to observe or perform in any material respect any other covenants or agreements of the Master Servicer set forth in this Agreement or any other Transaction Document to which the Master Servicer is a party, which failure continues unremedied for a period of 30 days after the first to occur of (i) the date on which written notice of such failure requiring the same to be remedied shall have been given to the Master Servicer by any Agent and (ii) the date on which the Master Servicer becomes aware thereof;

(c) any representation, warranty or certification made by the Master Servicer in this Agreement or in any certificate delivered pursuant to this Agreement shall prove to have been incorrect when made, which continues to be unremedied for a period of 30 days after the first to occur of (i) the date on which written notice of such incorrectness requiring the same to be remedied shall have been given to the Master Servicer by any Agent and (ii) the date on which the Master Servicer becomes aware thereof; provided, however, that in the case of any

representation, warranty or certification that was not made in writing, a Servicer Default shall occur hereunder only if such representation, warranty or certification was reasonably relied upon by any Agent and/or the Investors;

(d) a Credit Event shall occur or any bankruptcy, insolvency or similar event occurs with respect to the Master Servicer; or

(e) any change in the control of the Master Servicer which takes the form of either a merger or consolidation in which the Master Servicer is not the surviving entity.

Notwithstanding anything herein to the contrary, so long as any such Servicer Default shall not have been remedied, the Administrative Agent (at the direction of any Purchaser Agent), by written notice to the Master Servicer (a "*Termination Notice*"), may terminate all of the rights and obligations of the Master Servicer as Master Servicer under this Agreement and appoint a successor Master Servicer satisfactory to the Administrative Agent (in the Administrative Agent's sole discretion).

Section 8.5 Rights of the Administrative Agent.

(a) Notice to Obligors. At any time when a Liquidation Event has occurred and is continuing, the Administrative Agent, at the request of the Purchaser Agents, may notify the Obligors of Pool Receivables, or any of them, of the ownership of the Asset Interest by the Investors.

(b) Notice to Lockbox Banks. At any time, the Administrative Agent is hereby authorized to give notice to the Lockbox Banks, as provided in the Lockbox Agreements, directing disposition of the funds in the Lockbox Accounts.

(c) Rights on Servicer Transfer Event. At any time following the designation of a Master Servicer other than Lennox pursuant to Section 8.1:

(i) The Administrative Agent may, or at the request of the Purchaser Agents, shall, direct the Obligors of Pool Receivables, or any of them, to pay all amounts payable under any Pool Receivable directly to the Collection Account, or otherwise to the Administrative Agent or its designee.

(ii) Any Seller Party shall, at the Administrative Agent's request and at such Seller Party's expense, give notice of the Investors' ownership and security interests in the Pool Receivables to each Obligor of Pool Receivables and direct that payments be made directly to the Collection Account or otherwise to the Administrative Agent or its designee.

(iii) Each Seller Party shall, at the Administrative Agent's request (at the direction of any Purchaser Agent), (A) assemble all of the documents, instruments and other records (including, without limitation, computer programs, tapes and disks) which evidence the Pool Receivables, the Related Assets, and the related Contracts, or which are otherwise necessary or desirable to collect such Pool Receivables, and make the same available to the successor Master Servicer at a place selected by such Agent, and

(B) segregate all cash, checks and other instruments received by it from time to time constituting Collections of Pool Receivables in a manner acceptable to the Agents and promptly upon receipt, remit all such cash, checks and instruments, duly endorsed or with duly executed instruments of transfer, to the successor Master Servicer.

(iv) Each Seller Party hereby authorizes the Administrative Agent, and grants to the Administrative Agent an irrevocable power of attorney (which shall terminate on the Final Payout Date), to take any and all steps in such Seller Party's name and on behalf of the Seller Parties which are necessary or desirable, in the determination of the Administrative Agent, to collect all amounts due under any and all Pool Receivables, including, without limitation, endorsing any Seller Party's name on checks and other instruments representing Collections and enforcing such Pool Receivables and the related Contracts.

Section 8.6 Responsibilities of the Seller Parties.

Anything herein to the contrary notwithstanding:

(a) Contracts. Each Seller Party shall remain responsible for performing all of its obligations (if any) under the Contracts related to the Pool Receivables and under the related agreements to the same extent as if the Asset Interest had not been sold hereunder, and the exercise by the Administrative Agent or its designee of its rights hereunder shall not relieve any Seller Party from such obligations.

(b) Limitation of Liability. No Agent or Investor shall have any obligation or liability with respect to any Pool Receivables, Contracts related thereto or any other related agreements, nor shall any of them be obligated to perform any of the obligations of any Seller Party or any Originator thereunder.

Section 8.7 Further Action Evidencing Purchases and Reinvestments.

(a) Further Assurances. Each Seller Party agrees that from time to time, at its expense, it will promptly execute and deliver all further instruments and documents, and take all further action that the Administrative Agent or its designee may reasonably request in order to perfect, protect or more fully evidence the Purchases hereunder and the resulting Asset Interest, or to enable the Secured Parties or the Agents or any of their respective designees to exercise or enforce any of their respective rights hereunder or under any Transaction Document in respect thereof. Without limiting the generality of the foregoing, each Seller Party will:

(i) upon the request of the Administrative Agent in its discretion or at the direction of the Purchaser Agents, on behalf of the Investors, execute and file such financing or continuation statements, or amendments thereto or assignments thereof, and such other instruments or notices, as may be necessary or appropriate, in accordance with the terms of this Agreement;

(ii) upon the request of the Administrative Agent at the direction of any Purchaser Agent, after the occurrence and during the continuance of a Liquidation Event, mark conspicuously each Contract evidencing each Pool Receivable with a legend,

(iii) mark its master data processing records evidencing the Pool Receivables and related Contracts with a legend, acceptable to the Agents, evidencing that the Asset Interest has been sold in accordance with this Agreement.

(b) Additional Financing Statements; Performance by Administrative Agent. If any Seller Party fails to perform any of its agreements or obligations under this Agreement, the Administrative Agent or its designee may (but shall not be required to) itself perform, or cause performance of, such agreement or obligation, and the reasonable expenses of the Administrative Agent or its designee incurred in connection therewith shall be payable by the Seller Parties as provided in Section 14.5.

(c) Continuation Statements; Opinion. Without limiting the generality of subsection (a), the Seller will, not earlier than six (6) months and not later than three (3) months prior to the fifth anniversary of the date of filing of the financing statements referred to in Section 5.1(a) or any other financing statement filed pursuant to this Agreement or in connection with any Purchase hereunder, if the Final Payout Date shall not have occurred:

(i) if necessary, execute and deliver and file or cause to be filed an appropriate continuation statement with respect to such financing statement; and

(ii) deliver or cause to be delivered to each Agent an opinion of the counsel for the Seller Parties (which may be an opinion of in-house counsel for the Seller Parties), in form and substance reasonably satisfactory to each Agent, confirming and updating the opinion delivered pursuant to Section 5.1(a) to the effect that the Asset Interest hereunder continues to be a valid and perfected ownership or security interest, subject to no other Liens of record except as provided herein or otherwise permitted hereunder.

Section 8.8 Application of Collections

Any payment by an Obligor in respect of any indebtedness owed by it to any Originator or Seller shall, except as otherwise specified by such Obligor or required by the underlying Contract or law, be applied, first, as a Collection of any Pool Receivable or Receivables then outstanding of such Obligor in the order of the age of such Pool Receivables, starting with the oldest of such Pool Receivables and, second, to any other indebtedness of such Obligor.

(iii) the failure by any Seller Party to comply with any applicable law, rule or regulation with respect to any Pool Receivable or the related Contract, or the nonconformity of any Pool Receivable or the related Contract with any such applicable law, rule or regulation or the failure of the Seller to perform its duties or obligations in accordance with the provisions hereof or to perform its duties or obligations under the Contracts;

(iv) the failure to vest and maintain vested in (A) the Investors an undivided percentage ownership interest, to the extent of the Asset Interest, in the Receivables in, or purporting to be in, the Receivables Pool, or (B) the Secured Parties a security interest in the Collateral, in each case free and clear of any Lien, other than a Lien arising solely as a

(vii) any matter described in clause (i) or (ii) of Section 3.2(a);

(viii) any failure of any Seller Party, as the Master Servicer or otherwise, to perform its duties or obligations in accordance with the provisions of Article III or Article VIII;

(xii) the commingling of Collections of Pool Receivables at any time with other funds.

(b) Contest of Tax Claim; After-Tax Basis. If any Indemnified Party shall have written notice of any attempt to impose or collect any Tax or Other Taxes for which indemnification will be sought from Seller under Section 13.1(a)(xi), such Indemnified Party shall give prompt and timely notice of such attempt to the Seller. Indemnification hereunder shall be in an amount necessary to make the Indemnified Party whole after taking into account any tax consequences to the Indemnified Party of the payment of any of the aforesaid taxes (including any deduction) and the receipt of the indemnity provided hereunder or of any refund of any such tax previously indemnified hereunder, including the effect of such tax, deduction or refund on the amount of tax measured by net income or profit which is or was payable by the Indemnified Party.

(c) Contribution. If for any reason the indemnification provided above in this Section 13.1 (and subject to the exceptions set forth therein) is unavailable to an Indemnified Party or is insufficient to hold an Indemnified Party harmless, then the Seller shall contribute to the amount paid or payable by such Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect not only the relative benefits received by such Indemnified Party on the one hand and the Seller on the other hand but also the relative fault of such Indemnified Party as well as any other relevant equitable considerations.

Section 13.2 Indemnities by Master Servicer.

Without limiting any other rights which any Indemnified Party may have hereunder or under applicable law, the Master Servicer hereby agrees to indemnify each of the Indemnified Parties forthwith on demand, from and against any and all Indemnified Amounts awarded against or incurred by any of them arising out of or relating to (i) the Master Servicer's performance of, or failure to perform, any of its obligations under or in connection with any Transaction Document, or (ii) any representation or warranty made by the Master Servicer in the last sentence of Section 6.1(p) shall have been false, incorrect or misleading in any respect when made or deemed made, or (iii) any other representation or warranty made by the Master Servicer (or any of its officers) under or in connection with any Transaction Document, any Information Package, Interim Information Package or any other information or report delivered by or on behalf of the Master Servicer, which shall have been false, incorrect or misleading in any material respect when made or deemed made or delivered, as the case may be, or (iv) the failure of the Master Servicer to comply with any applicable law, rule or regulation with respect to any Pool Receivable or the related Contract, or (v) the commingling of Collections of Pool Receivables at any time with other funds, or (vi) any claim brought by any Person (other than an Indemnified Party) arising from any activity by the Master Servicer or its subservicers in servicing, administering or collecting any Pool Receivable; provided, however, that in the case of any representation, warranty or information that was not made or delivered in writing, indemnification shall be available to an Indemnified Party hereunder only if such representation, warranty or information was reasonably relied upon by such Indemnified Party. Notwithstanding the foregoing, in no event shall any Indemnified Party be awarded any Indemnified Amounts (a) to the extent determined by a court of competent jurisdiction to have resulted from gross negligence or willful misconduct on the part of such Indemnified Party or (b) recourse for Defaulted Receivables. The Master Servicer further agrees to indemnify any agent (which is not otherwise an Indemnified Party) of any of BTMUNY, the Agents, the Purchasers, the Liquidity Banks, and the Liquidity Agents forthwith on demand, from and against any and all Indemnified Amounts awarded against or incurred by any of them arising out of or caused by the gross negligence or willful misconduct of the Master Servicer.

If for any reason the indemnification provided above in this Section 13.2 (and subject to the exceptions set forth therein) is unavailable to an Indemnified Party or is insufficient to hold an Indemnified Party harmless, then the Master Servicer shall contribute to the amount paid or payable by such Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect not only the relative benefits received by such Indemnified Party on the one hand and the Master Servicer on the other hand but also the relative fault of such Indemnified Party as well as any other relevant equitable considerations.

Article XIV.

Miscellaneous

Section 14.1 Amendments, Etc.

No amendment or waiver of any provision of this Agreement nor consent to any departure by any Seller Party therefrom shall in any event be effective unless the same shall be in writing and signed by (a) each Seller Party, the Agents and the Investors party hereto (with respect to an amendment), or (b) the Agents and the Investors party hereto (with respect to a waiver or consent by them) or any Seller Party (with respect to a waiver or consent by it), as the case may be, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. The parties acknowledge that, before entering into such an amendment or granting such a waiver or consent, any Purchaser may also be required to obtain the approval of some or all of the Liquidity Banks in such Purchaser's Purchaser Group or to obtain confirmation from certain rating agencies that such amendment, waiver or consent will not result in a withdrawal or reduction of the ratings of the Commercial Paper Notes (to the extent that any Purchaser is required to obtain any confirmation from any rating agency, such confirmation shall be in writing with respect to any material amendment, modification, waiver or consent).

Section 14.2 Notices, Etc.

All notices and other communications provided for hereunder shall, unless otherwise stated herein, be in writing (including facsimile communication) and shall be personally delivered or sent by express mail or courier or by certified mail, postage prepaid, or by facsimile, to the intended party at the address or facsimile number of such party set forth on Schedule 14.2 or at such other address or facsimile number as shall be designated by such party in a written notice to the other parties hereto. All such notices and communications shall be effective, (a) if personally delivered or sent by express mail or courier or if sent by certified mail, when received, and (b) if transmitted by facsimile, when sent, receipt confirmed by telephone or electronic means; provided, however, that the financial statements required to be delivered by Sections 7.2(a), 7.2(b) and 7.2(d) shall be deemed delivered on the date such financial statements are deposited in the United States mail with first class postage prepaid, addressed to the intended party at the address as set forth on Schedule 14.2 or at such other address as shall be designated by such party in a written notice to the other parties hereto.

Section 14.3 No Waiver; Remedies.

No failure on the part of the Administrative Agent, any Affected Party, any Indemnified Party, any Purchaser or any other holder of the Asset Interest (or any portion thereof) to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. Without limiting the foregoing, BTMUNY, individually and as an Agent, and the Liquidity Banks are each hereby authorized by Seller and Lennox (as Master Servicer and as an Originator) at any time and from time to time, to the fullest extent

permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by BTMUNY or such Liquidity Bank to or for the credit or the account of the Seller or Lennox against any and all of the obligations of the Seller or Lennox, now or hereafter existing under this Agreement or any other Transaction Document, to any Agent, any Affected Party, any Indemnified Party or any Investor, or their respective successors and assigns. For avoidance of doubt, the right of setoff set forth in this Section 14.3 does not permit setoff of deposits and indebtedness held or owing by one Person to or for the account of a second Person against amounts owing by any Person other than such second Person.

Section 14.4 Binding Effect; Survival.

This Agreement shall be binding upon and inure to the benefit of each Seller Party, the Agents, the Investors and their respective successors and assigns, and the provisions of Section 4.2 and Article XIII shall inure to the benefit of the Affected Parties and the Indemnified Parties, respectively, and their respective successors and assigns; provided, however, nothing in the foregoing shall be deemed to authorize any assignment not permitted by Section 12.1. This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms, and shall remain in full force and effect until the Final Payout Date. The rights and remedies with respect to any breach of any representation and warranty made by the Seller pursuant to Article VI and the indemnification and payment provisions of Article XIII and Sections 4.2, 14.5, 14.6, 14.7, 14.11, 14.12 and 14.14 shall be continuing and shall survive any termination of this Agreement.

(i) the negotiation, preparation, execution and delivery of this Agreement, the other Transaction Documents or a Liquidity Agreement, any amendment of or consent or waiver under any of the Transaction Documents which is requested or proposed by any Seller Party (whether or not consummated), or the enforcement by any of the foregoing Persons of, or any actual or claimed breach of, this Agreement or any of the other Transaction Documents, including, without limitation, the reasonable fees and expenses of counsel to any of such Persons incurred in connection with any of the foregoing or in advising such Persons as to their respective rights and remedies under any of the Transaction Documents in connection with any of the foregoing, and

(ii) the administration (including periodic auditing as provided for herein) of this Agreement and the other Transaction Documents, including, without limitation, all reasonable out-of-pocket expenses (including reasonable fees and expenses of independent accountants), incurred in connection with any review of any Seller Party's

books and records either prior to the execution and delivery hereof or pursuant to Section 7.1(c), subject to the limitations set forth in such Section 7.1(c);

(b) all stamp and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing and recording of this Agreement or the other Transaction Documents (and the Seller Parties, jointly and severally agree to indemnify each Indemnified Party against any liabilities with respect to or resulting from any delay in paying or omission to pay such taxes and fees) ("Other Taxes"); and

(c) all losses, costs and expenses incurred by the Investors or the Agents in connection with or as a result of any failure to make a timely payment or deposit, including, without limitation, by reason of any mechanical delay in or malfunction of the Fedwire system or due to an error on the part of the initiating or receiving bank.

Section 14.6 No Proceedings.

The Master Servicer hereby agrees that it will not institute against the Seller, or join any Person in instituting against the Seller, and each Seller Party, the Master Servicer, BTMUNY (individually, as Administrative Agent and as BTMU Purchaser Agent), each Liquidity Bank and each Purchaser, as to each other Purchaser, hereby agrees that it will not institute against any Purchaser, or join any other Person in instituting against any Purchaser, any insolvency proceeding (namely, any proceeding of the type referred to in the definition of Event of Bankruptcy) so long as any Commercial Paper Notes issued by such Purchaser shall be outstanding or there shall not have elapsed one year plus one day since the last day on which any such Commercial Paper Notes shall have been outstanding.
